PREFACE

All praise and thanks to the presence of Allah Almighty who has given His grace and guidance on unresolved Proceedings of the International Seminar Research Month 2016 with the theme "Innovation, Development and Utilization Research and Community Services" held on November 15, 2016 at Surabaya, Indonesia.

The Proceedings contains conclusion of International Conference for Research Month 2016 is a conference organized by the University of Pembangunan Nasional "Veteran" Jawa Timur. This year's theme covered broader topics across innovation, development and utilization of research and community services

We would like to thank all keynote speakers, moderators, presenters, and participants for their cooperation and valuable suggestions that contribute to the success of this year's conference. We would also like to give our gratitude to all members of organizing committees of all event during this conference, who have given the article that supports the conclusion of these proceedings.

Finally, we sincerely hope that this conference would contribute to the development towards a better Indonesia, especially in science, economy and social aspects.

Thank you,
Surabaya-Indonesia, November 15th, 2016
